

Please help us keep you safe by following these guidelines:

- Please only visit the premises if you are feeling well and not in isolation
- Maximum groups of six
- Masks must be worn unless you are seated
- If you need to leave the premise to take a call or smoke, your drink must be left inside the venue.
- On arrival please use the sanitiser provided
- Respect social distancing by allowing 1 metre between yourself and others
- Avoid shaking hands and close contact with others
- We will be operating in a way to keep you safe, if we seem distant or brief this is because we need to maintain strict boundaries around hosting you to adhere to these
- No cash payments, instead please use contactless payments or our new way to pay over the phone
- Once seated please stay at your table unless leaving or going to use the facilities
- Do not move any furniture. It has been positioned for social distancing
- When using the WC, please adhere to the instructions on the door
- Our team will be washing their hands regularly; we ask that you please do the same
- Please do not approach the bar or kitchen counter, grab our attention if you require anything
- Please consume alcohol responsibly
- Unfortunately, if any guest is unable to adhere to these rules, they may be asked to leave
- No standing drinkers

Thank you for the ongoing support, we would like to ask customers to be patient in this difficult time.
